BIOGRAPHY

Dr. Linda Banner is a health psychologist and certified sex therapist in private practice in San Jose, California. She has been instrumental in clinical research in the areas of male sexual functioning and brain imaging with fMRI and sexual

arousal at Stanford Medical Center for the past eight years. She is a spokesperson for the Sinclair Intimacy Institute and has appeared in several sex education videos. She completed her doctoral degree in clinical psychology at The Fielding Institute. Dr. Banner has presented at many national and international meetings for psychology, urology, gynecology, and sexology for the past nine years.
